DATE: 21 Mar 72

TO: The Director

FROM: GACarver, Jr.

SUBJECT:

REMARKS:

Attached is a note on Cambodian politics given to me by my colleague [REDACTED]. It was intended to be provocative, not definitive. It raises some matters that well merit consideration. I am sending this copy to you and (on an eyes only basis) copies to the Indochina Brethren. Bill is not making dramatic predictions, but he does raise questions that deserve discussion and review before any untoward events make hasty answers necessary.
